The Annual Report 2015 (including the financial statement, Directors' report and Auditor's report for the financial year ended 30 June 2015) is available for review by Shareholders at www.bathurstresources.co.nz and will be tabled at the Meeting.

- (b) ask questions or make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's report.

Resolution 1 - To elect Mr Russell Middleton as a Director

Listing Rule 14.4 requires that any person who is appointed as a director by the Board to fill a casual vacancy or as an additional director shall retire from office at the next general meeting of the Company but shall be eligible for election at that meeting.

Mr Russell Middleton therefore retires at the forthcoming Annual General Meeting in accordance with Listing Rule 14.4 and being eligible, has offered himself for election at the meeting.

Mr Middleton was appointed to the Board on 29 April 2015 as an Independent Director. He is also Chairman of the Audit & Risk Committee of the Board.

Mr Middleton has over 25 years involvement with the mining and construction sector with significant experience in mine project evaluations and the construction of new mines.

Based in Sydney, he was until recently Chief Financial Officer with Hillgrove Resources Limited, an ASX-listed resources company focused on developing base and precious metals projects. He was also Director and Company Secretary for the Hillgrove Group's main operating subsidiary companies.

Starting his career as a public accountant, Mr Middleton has held senior management positions in accounting, commercial and planning roles. He undertook various roles with BHP before joining Shell where he was Commercial Manager for the construction, development and production of a major underground mine.

The Board, with Mr Middleton abstaining, recommend that Shareholders vote in favour of Resolution 1.

Resolution 2 - To elect Mr Peter Westerhuis as a Director

Mr Peter Westerhuis was also appointed as a director by the Board to fill a casual vacancy. Pursuant to Listing Rule 14.4, he also is required to retire from office at the next general meeting of the Company but is eligible for election at that meeting and has offered himself for election at that meeting.

Mr Westerhuis was appointed to the Board on 29 April 2015 as an Independent Director. He is Chairman of the Health, Safety, Environment & Community Committee and a member of the Remuneration & Nomination Committee of the Board.

Mr Westerhuis is a professional engineer with post-graduate business qualifications and more than 30 years of Australian and international resources experience in the iron ore, gold and coal industries; the last 7 years at CEO and MD level. He has successfully developed and managed large mining and processing operations including overseeing the transition from explorer to producer.

Mr Westerhuis has undertaken many complex commercial negotiations for joint ventures, capital funding, contracts, litigation, product marketing and off-take agreements.

He is particularly passionate about health & safety, people relations, operational effectiveness, business improvement and project delivery.

Based in Brisbane, Mr Westerhuis is currently consulting to resources companies in Africa and South America. More recently he was the Group Managing Director of Guildford Coal, developer of a coking coal business in Mongolia, and

the CEO of the Ensham Joint Venture developing and operating large open cut and underground coal reserves in Queensland.

Mr Westerhuis has been a Director of the Queensland Resources Council and a Director of the Australian Coal Association.

The Board, with Mr Westerhuis abstaining, recommend that Shareholders vote in favour of Resolution 2.

Resolution 3 – Ratification of issue of 7,154,321 Shares to current and former employees

Listing Rule 7.1 imposes limits on the number of equity securities (including ordinary shares) that a company can issue or agree to issue without shareholder approval. Under the Listing Rules, generally a company must not, without prior shareholder approval, issue in any 12 month period, a number of equity securities which is more than 15% of the number of fully paid ordinary shares on issue 12 months before the issue.

Listing Rule 7.4 states that an issue by a company of equity securities made without shareholder approval under Listing Rule 7.1 is treated as having been made with approval for the purpose of Listing Rule 7.1, if the issue did not breach Listing Rule 7.1 when made and the company's shareholders subsequently approve it.

Under Resolution 3 the Company seeks Shareholder approval under Listing Rule 7.4 to the issue of 7,154,321 Shares to current and former employees of the Company on 16 September 2015. A total of:

- 154,321 Shares were issued to current employees on exercise of vested performance rights which were granted on 13 June, 2013 and vested on 1 July 2015; and
- 7,000,000 Shares were issued to Marshall Maine, the former Chief Financial Officer of the Company, as part of his redundancy package.

The Company is seeking this approval in order to provide the Company with the maximum flexibility to undertake equity raisings without the need for further Shareholder approval. The requirement to obtain Shareholder approval for an issue, at the time of issue, could limit the Company's ability to take advantage of the opportunities that may arise. Notwithstanding an approval by Shareholders of Resolution 3, any future equity raisings will remain subject to the 15% limit under Listing Rule 7.1.

No decision has been made by the Board to undertake any further issue of equity securities in the event that approval is received from Shareholders in respect of Resolution 3. The Board will only decide to issue further equity securities if it considers it is in the best interests of the Company to do so.

If this Resolution 3 is not approved by Shareholders, the Company will not be able to issue more Shares than it is currently permitted to under the Listing Rules, which is currently just over 14% of the total number of equity securities on issue.

Listing Rule 7.5 requires that the following information be provided to Shareholders when seeking an approval for the purposes of Listing Rule 7.4:

- (a) Number of Shares allotted and issued - 7,154,321;
- (b) Issue price for the 154,321 Shares - nil under the terms and conditions of the Company's Long Term Incentive Plan, and were issued to:
 - (i) Richard Tacon - 95,532 Shares; and
 - (ii) Sam Aarons – 58,789 Shares;

At the time of the allocation of those Shares, Mr Tacon was Chief Operating Officer of the Company and Ms Aarons was General Manager Corporate Relations of the Company.
- (c) Issue price for the 7,000,000 Shares - nil based on the terms of an agreement reached with the Marshall Maine, the former Chief Financial Officer at the time of his agreed redundancy. At the time of the allocation to Mr Maine of those Shares, their the closing price as quoted on ASX was A\$0.017;
- (d) Shares are fully paid ordinary shares in the Company that rank equally with all other Shares then on issue;
- (e) Shares were issued to current and former employees of the Company on 16 September 2015;
- (f) No funds are being raised by the issues of the Shares the subject of this Resolution 3;
- (g) No loans will be made by the Company in respect of the acquisition of any of the Shares referred to in Resolution 3.

The Board, with Mr Tacon abstaining, recommends that Shareholders vote in favour of Resolution 3.

Resolution 4 – Adoption of Bathurst Resources Limited Long Term Incentive Plan

4.1 Background

At the Company's Annual General Meeting on 20 November 2012 Shareholders approved the Bathurst Resources Long Term Incentive Plan (**Plan**) (which had been adopted by the Board on 19 October 2012), pursuant to which employees may be offered the opportunity to be granted Performance Rights (**Performance Rights**) to acquire Shares.

As set out in the Company's Notice of Annual General Meeting and Explanatory Statement dated 19 October 2012, the purpose of the Plan was to:

- (a) reinforce a performance focused culture by providing a long term performance based element to the total remuneration packages of certain employees;
- (b) align and link the interests of Bathurst's Board, executive leadership team and Shareholders;
- (c) encourage teamwork and co-operation among the members of the executive leadership team;
- (d) attract executives with the requisite capability; and
- (e) maintain a stable leadership team by helping retain key talent.

The Plan forms a key part of the Company's remuneration policy and provides the Company with a mechanism for driving long term performance for Shareholders and retention of key executives. It is targeted at Bathurst's senior management, being those executives and selected senior managers (as determined by the Board from time to time) whose responsibilities provide them with the opportunity to significantly influence long term Shareholder value.

4.2 Proposed Amendments

In accordance with the provisions of clause 19 of the Plan, the Board is entitled to amend the terms or conditions of the Plan at any time and by written instrument. Any such amendment is not conditional upon approval by Shareholders. However, if and to the extent that the terms or conditions of the Plan are amended in accordance with the requirements of that clause 19, but not approved of by a simple majority of eligible Shareholders, any subsequent issue of Performance Rights (or Shares upon the vesting and exercise of those Performance Rights) will be treated as a reduction of the 15% limit for future issues of equity securities under Listing 7.1.

- (a) **2013 Amendment:** On 1 May 2013, the Board resolved to amend the Plan to provide that unvested Performance Rights will no longer automatically vest upon the retirement or death of a Participant (**2013 Amendment**). Rather, upon the retirement, death or total and permanent disablement of a Participant, the Board now has the discretion to determine, as soon as reasonably practical after that occurrence, how many (if any) of that Participant's unvested Performance Rights will vest. The 2013 Amendment does not affect the vesting of any Performance Rights issued before the date of the 2013 Amendment. The 2013 Amendment was approved by Shareholders at the Company's Extraordinary General Meeting on 13 June 2013

Following the approval of the 2013 Amendment the following Performance Rights were issued:

- 3,108,464 (of which 1,554,232 lapsed (as a result of failing to satisfy the applicable Performance Conditions)) that were issued to members of the Executive Management team as follows:
 - to Mr Hamish Bohannon – 1,388,889 (of which 462,963 have vested);
 - to Sam Aarons – 352,733 (of which 176,366 have vested),
 - to Simon Doig – 440,917 (of which 146,972 have vested),
 - to Marshall Maine – 352,733 (of which 117,577 have vested), and
 - to Richard Tacon – 573,192 (of which 286,596 have vested); and
- 5,400,522 on or about 18 November, 2014 (all of which have lapsed (as a result of failing to satisfy the applicable Performance Conditions)) that were issued to members of the Executive Management team as follow:
 - to Mr Hamish Bohannon – 1,845,992;
 - to Sam Aarons – 738,064,
 - to Simon Doig – 923,254,
 - to Marshall Maine – 692,441, and

- o to Richard Tacon – 1,200,231,

(together **Issued Performance Rights**)

Other than the issue of the Issued Performance Rights, no other Performance Rights have been issued under the Plan since the date upon which the 2013 Amendment was first brought into effect.

- (b) **2015 Amendments:** The Board has resolved on 30 September 2015 that further amendments are required to be made to the Plan (each a **2015 Amendment**). The purpose and nature of the 2015 Amendments are to:
- (i) enable non-executive Directors to participate in the Plan. This will be effected by expanding the definition of a “Participant” in the Plan Rules to include non-executive Directors; and
 - (ii) clarify certain terms of the prevailing Performance Conditions by replacing the performance index of Comparator Group companies that has been used to determine the relative performance of the Company when calculating Total Shareholder Return (**TSR**) with an alternate index – namely the S&P/ASX Small Resources Index.

These amendments have been included in the terms and conditions of the Plan Rules and Plan Policy set out in Appendix 2 and Appendix 3 (respectively) of the Explanatory Statement.

4.3 Regulatory Requirements

Specifically, under an employee share incentive scheme approved by eligible shareholders, any issue of securities issued within three years of the date of that shareholder approval of that scheme are excluded from the application of Listing Rule 7.1. As a result, those securities will not be included in the 15% threshold limit referred to in that Listing Rule. In the absence of such shareholder approval, the issue may still occur if there is sufficient capacity, as the equity securities so issued will be counted as part of the 15% limit under Listing Rule 7.1, which would otherwise apply during a 12 month period.

Accordingly, due to the 2013 Amendment and the 2015 Amendments, Shareholders are required to re-approve the Plan for the purpose of ensuring that, in accordance with the terms of Listing Rule 7.2 (Exception 9(b)), future issues of Performance Rights under the Plan, as amended by the 2013 Amendment and the 2015 Amendments, will be exempted from the application of Listing Rule 7.1.

The following information is provided to Shareholders for the purpose of ensuring that they are fully informed when being asked to approve Resolution 4:

- (a) since the 2013 Amendment no securities have been issued under the Plan other than the Issued Performance Rights;
- (b) complete copies of the terms and conditions of the Plan Rules and Plan Policy are set out in Appendices 2 and 3 (respectively) of this Explanatory Statement; and
- (c) a voting exclusion statement for Resolution 4 is included in the Notice of Annual General Meeting preceding this Explanatory Statement.

4.4 No Board Recommendation

The requirements of Listing Rule 14, insofar as they relate to voting exclusion statements relevant to any resolution made pursuant Listing Rule 10.14, prohibit any Director, who by definition is eligible to participate in the Plan, from voting in respect of Resolution 4.

Whilst technically, at the time of voting on Resolution 4 at the Meeting, non-executive directors are not eligible to participate in the Plan and accordingly are eligible to vote their Shares in respect of Resolution 4, the Board feels that, in light of the nature and substance of all Resolutions, it is most appropriate that no Director – whether executive or non-executive:

- votes in respect of Resolution 4; or
- makes any recommendation as to how any Shareholder should vote in respect of Resolution 4.

Resolution 5 – Approval to Issue Shares to Mr Richard Tacon

5.1 Background

On 29 April 2015 the Company agreed to issue to Richard Tacon, subject to obtaining prior shareholder approval for the purposes of Listing Rule 10.11, 5,000,000 fully paid Shares (**Sign On Shares**) in consideration for Mr Tacon assuming the role of Chief Executive Officer of the Company at an overall salary that was reduced from NZ \$520,000 in his role as the Company’s Chief Operations Officer to NZ \$400,000 per annum in his role as the Company’s Chief Executive Officer.

Assuming Resolution 5 is approved of by Shareholders at the Meeting, all Sign On Shares, will be when issued, fully paid ordinary shares in the Company that rank equally with all other Shares then on issue. However, no such Shareholder approval of this proposed issue of the Sign On Shares, has been obtained prior to the Meeting.

Listing Rule 10.13 requires that the following information be provided to Shareholders when seeking an approval for the purposes of Listing Rule 10.11:

- (a) All Sign On Shares are to be issued to Richard Tacon;
- (b) Maximum Number of the Sign On Shares to be issued – 5,000,000;
- (c) All Sign On Shares will be issued and allotted to Mr Tacon within 1 month after the date of the Meeting;
- (d) Issue price for the Sign On Shares – nil cash consideration;

The Board, with Mr Tacon abstaining, recommends that Shareholders vote in favour of Resolution 5.

Resolution 6 – Approval to Issue Performance Rights to Mr Richard Tacon

6.1 Background

Subject to the approval of Resolution 4, Shareholders are being asked to approve Resolution 6 to allow Performance Rights (and Shares that may be issued upon the vesting and exercise of those Performance Rights issued under the Plan) to be issued to the Company's Executive Director, Mr Richard Tacon up to the maximum amount of 5,000,000 as set out below.

The Board has determined that the grant of Performance Rights under the Plan to Mr Richard Tacon is fair and an appropriate form of long term incentive for one of the Company's Key Management Personnel. The Board considers that Mr Richard Tacon is essential to the successful future operation of Bathurst's ongoing business.

In determining Mr Richard Tacon's remuneration package, including the proposed issue of Performance Rights under the Plan, the Board considered and will continue to consider the scope of the role of Mr Tacon, the business challenges facing the Company and market practice for the remuneration of executive officers in positions of similar responsibility. Accordingly, the Board has determined that this proposed maximum grant of Performance Rights as stated in Resolution 6 is, in its opinion, appropriate.

The Performance Rights will be issued subject to the Performance Conditions outlined in the Plan Rules and Plan Policy and which are summarised in Appendixes 2 and 3 of this Explanatory Statement.

6.2 Regulatory Requirements

Resolution 6 seeks Shareholder approval in order to comply with the requirements of Listing Rule 10.14.

6.3 Listing Rules

Listing Rule 10.14 provides that a company must not issue Equity Securities to a director of that company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. If that approval is given by shareholders under Listing Rule 10.14, separate shareholder approval is not required under Listing Rule 10.11.

Under Resolution 6, the Company seeks approval from Shareholders for the issue of Performance Rights to Mr Richard Tacon, who by virtue of his position as a Director of the Company is by definition, a "related party" of the Company.

In compliance with the information requirements of Listing Rule 10.15, Shareholders are advised of the following information:

(a) *Nature of relationship between proposed allottee and the Company*

The Performance Rights are proposed to be issued to Mr Richard Tacon (or his Permitted Nominee), who is the Executive Director of the Company and, as such, is a related party of the Company.

(b) *Details of the maximum number of securities that may be issued*

The maximum number of Performance Rights (and Shares when and if those Performance Rights are vested and exercised) that may be acquired by Mr Richard Tacon under Resolution 6 is 5,000,000.

Subject to the ** comments immediately below the table set out in this page, the formula used to calculate the number of Performance Rights securities to be issued to Mr Richard Tacon, subject to the passing of Resolutions 4, is set out below:

$$N = \frac{TFR \times Y\%}{V}$$

V

Where:

- N the number of Performance Rights to be offered;
- TFR total fixed remuneration at the commencement date of the Performance Period;
- Y the percentage of total fixed remuneration awarded in Performance Rights, as determined by the Board;
- V the market value of a Share at the commencement of the Performance Period. This valuation will be based on the 5 day VWAP prior to the commencement of the Performance Period (see Glossary in Appendix 1 of this Explanatory Statement); and
- Y the percentage of total fixed remuneration awarded in Performance Rights, as determined by the Board.

Set out below are the variables for the formula used to calculate the number of Performance Rights that may be issued to Mr Richard Tacon (pursuant to Resolution 6) and for which approval is sought:

Director	Total Fixed Remuneration ("TFR")	Percentage of TFR awarded in Performance Rights	5 day VWAP*	Maximum Number of Performance Rights to be offered
Richard Tacon	\$400,000	25%	\$0.01415	5,000,000**

* The Performance Period for the Performance Rights to be offered to Mr Tacon, (or his Permitted Nominee) subject to shareholder approval at the Meeting, commenced on 25 September 2015 and the 5 day VWAP has been calculated as at that date.

** The number of Performance Rights has been capped by the Board, with Mr Tacon's agreement, at 5,000,000 despite an application of the formula referred to above producing a slightly higher number of Performance Rights.

If the Performance Conditions are achieved to the greatest extent possible (i.e. Bathurst's TSR is at or above 75th percentile ranking to the Comparator Group at each test date), then 100% of the 5,000,000 Performance Rights that are the subject of this Resolution 6, will, if that Resolution is approved, be awarded to Mr Tacon and will vest and convert into an equal number of Shares on vesting. In other words, for every percentile ranking above 50% that is achieved in satisfaction of the Performance Conditions applicable to the Performance Rights awarded to Mr Tacon under the Plan, an additional 4% in number of those Performance Rights will vest in Mr Tacon (or his Permitted Nominee) and convert into an equal number of Shares.

(c) **Issue price**

There is no issue price for the Performance Rights that are the subject of Resolution 6.

(d) **Previous issues under the Plan**

At the date of this Notice of Meeting no Performance Rights (other than the Issued Performance Rights) have been granted or Shares issued to Mr Richard Tacon or any other person referred to in Listing Rule 10.14 or otherwise under the Plan.

(e) **Eligible Participants under the Plan**

The following persons are currently entitled to participate in the Plan:

- (i) an executive Director; and
- (ii) any employee of Bathurst or of any subsidiary of Bathurst (other than a non-executive Director) that takes part in the management of the Company and that the Board determines, at its absolute discretion, should participate in the Plan.

On the assumption that the 2015 Amendments become effective as a result of the approval of Resolution 4 at the Meeting, the names of the persons referred to in Listing Rule 10.15.4A who are currently entitled to participate in the Plan are:

- Toko Thomas Kapea;
- Richard Tacon;
- Russell Middleton; and
- Peter Westerhuis

(f) ***Voting exclusion statement***

A voting exclusion statement for Resolution 6 is included in the Notice of General Meeting preceding this Explanatory Statement.

(g) ***Terms of any loan***

The Company will not be providing any loan in connection with Mr Tacon's allocation or exercise of any Performance Rights under the Plan.

(h) ***Issue date***

The latest date that the Company will issue Performance Rights under Resolution 6, will be no later than 12 months after the date of the Meeting, assuming that Resolution 6 is approved by Shareholders at the Meeting.

Resolution 7 – Approval to Issue Performance Rights to Mr Toko Kapea

7.1 Background

Subject to the approval of Resolution 4, Shareholders are being asked to approve Resolution 7 to allow Performance Rights (and Shares that may be issued upon the vesting and exercise of those Performance Rights issued under the Plan) to be issued to the Company's Chairman, Mr Toko Kapea (or his Permitted Nominee) up to the maximum amount of 1,500,000 as set out below.

The Board has determined that the grant of Performance Rights under the Plan to Mr Kapea is fair and an appropriate form of long term incentive for one of the Company's Key Management Personnel.

In determining Mr Kapea's remuneration package, including the proposed issue of Performance Rights under the Plan, the Board considered and will continue to consider the scope of the role of Mr Kapea, the business challenges facing the Company and market practice for the remuneration of a non-executive chairman in positions of similar responsibility. Accordingly, the Board has determined that the proposed maximum grant of Performance Rights as stated in Resolution 7 is, in its opinion, appropriate.

The Performance Rights will be issued subject to the Performance Conditions outlined in the Plan Rules and Plan Policy.

7.2 Regulatory Requirements

Resolution 7 seeks Shareholder approval in order to comply with the requirements of Listing Rule 10.14.

7.3 Listing Rules

Listing Rule 10.14 provides that a company must not issue Equity Securities to a director of that company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. If that approval is given by shareholders under Listing Rule 10.14, separate shareholder approval is not required under Listing Rule 10.11.

Under Resolution 7, the Company seeks approval from Shareholders for the issue of Performance Rights to Mr Kapea, who by virtue of his position as the non-executive Chairman of the Company is by definition, a "related party" of the Company.

In compliance with the information requirements of Listing Rule 10.15, Shareholders are advised of the following information:

(a) ***Nature of relationship between proposed allottee and the Company***

Mr Kapea is the Chairman and a non-executive Director of the Company and, as such, is a related party of the Company.

(b) ***Details of the maximum number of securities that may be issued***

The maximum number of Performance Rights (and Shares when and if those Performance Rights are vested and exercised) that may be acquired by Mr Kapea (or his Permitted Nominee) under Resolution 7 is 1,500,000.

The formula used to calculate the number of Performance Rights to be issued to Mr Kapea, subject to the passing of Resolution 7, is identical to the formula referred to in Paragraph 5.3(b) above.

Set out below are the variables for the formula used to calculate the number of Performance Rights that may be issued to Mr Kapea (pursuant to the approval of Resolution 4) and for which approval is sought:

Director	Director's Fee	5 day VWAP*	Maximum Number of Performance Rights to be offered
Toko Kapea	\$120,000	\$0.01415	1,500,000

* The Performance Period for the Performance Rights to be offered to Mr Kapea, (or his Permitted Nominee) subject to shareholder approval at the Meeting, commenced on 25 September, 2015 and the 5 day VWAP has been calculated as at that date.

If the Performance Conditions are achieved to the greatest extent possible (i.e. Bathurst's TSR is at or above 75th percentile ranking to the appropriate index at each test date), then 100% of the 1,500,000 Performance Rights that are the subject of Resolution 7, will, if that Resolution is approved, be awarded to Mr Kapea and will vest and convert into an equal number of Shares. In other words, for every percentile ranking above 50% that is achieved in satisfaction of the Performance Conditions applicable to the Performance Rights awarded to Mr Kapea (or his Permitted Nominee) under the Plan, an additional 4% in number of those Performance Rights will vest and convert into an equal number of Shares.

(c) **Issue price**

There is no issue price for the Performance Rights that are the subject of Resolution 7.

(d) **Previous issues under the Plan**

At the date of this Notice of Meeting, no Performance Rights (other than the Issued Performance Rights) have been granted or Shares issued to Mr Kapea (or his Permitted Nominee) or any other person referred to in Listing Rule 10.14 or otherwise under the Plan.

(e) **Eligible Participants under the Plan**

Please refer to Paragraph 6.3(e) above.

(f) **Voting exclusion statement**

A voting exclusion statement for Resolution 7 is included in the Notice of General Meeting preceding this Explanatory Statement.

(g) **Terms of any loan**

Please refer to Paragraph 6.3(g) above.

(h) **Issue date**

The latest date that the Company will issue Performance Rights under Resolution 7, will be no later than 12 months after the date of the Meeting, assuming that that Resolution 7 is approved by Shareholders at the Meeting.

Resolution 8 – Approval to Issue Performance Rights to Mr Russell Middleton

8.1 Background

Subject to the approval of Resolution 4, Shareholders are being asked to approve Resolution 8 to allow Performance Rights (and Shares that may be issued upon the vesting and exercise of those Performance Rights issued under the Plan) to be issued to one of the Company's non-executive Directors, Mr Russell Middleton (or his Permitted Nominee), up to the maximum amount of 1,500,000 as set out below.

The Board has determined that the grant of Performance Rights under the Plan to Mr Middleton is fair and an appropriate form of long term incentive for one of the Company's Key Management Personnel.

In determining Mr Middleton's remuneration package, including the proposed issue of Performance Rights under the Plan, the Board considered and will continue to consider the scope of the role of Mr Middleton, the business challenges facing the Company and market practice for the remuneration of a non-executive director in positions of similar responsibility. Accordingly, the Board has determined that the proposed maximum grant of Performance Rights as stated in Resolution 8 is, in its opinion, appropriate.

The Performance Rights will be issued subject to the Performance Conditions outlined in the Plan Rules and Plan Policy.

8.2 Regulatory Requirements

Resolution 8 seeks Shareholder approval in order to comply with the requirements of Listing Rule 10.14.

8.3 Listing Rules

Listing Rule 10.14 provides that a company must not issue Equity Securities to a director of that company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. If that approval is given by shareholders under Listing Rule 10.14, separate shareholder approval is not required under Listing Rule 10.11.

Under Resolution 8, the Company seeks approval from Shareholders for the issue of Performance Rights to Mr Middleton (or his Permitted Nominee), who by virtue of his position as a non-executive Director, is by definition, a "related party" of the Company.

In compliance with the information requirements of Listing Rule 10.15, Shareholders are advised of the following information:

(a) ***Nature of relationship between proposed allottee and the Company***

Mr Middleton is a non-executive Director of the Company and, as such, is a related party of the Company.

(b) ***Details of the maximum number of securities that may be issued***

The maximum number of Performance Rights (and Shares when and if those Performance Rights are vested and exercised) that may be acquired by Mr Middleton (or his Permitted Nominee) under Resolution 8 is 1,500,000.

The formula used to calculate the number of Performance Rights to be issued to Mr Middleton, subject to the passing of Resolution 8, is identical to the formula referred to in Paragraph 6.3(b) above.

Set out below are the variables for the formula used to calculate the number of Performance Rights that may be issued to Mr Middleton (pursuant to Resolution 8) and for which approval is sought:

Director	Director's Fee	5 day VWAP*	Maximum Number of Performance Rights to be offered
Russell Middleton	\$60,000	\$0.01415	1,500,000

* The Performance Period for the Performance Rights to be offered to Mr Middleton (or his Permitted Nominee), subject to shareholder approval at the Meeting, commenced on 25 September, 2015 and the 5 day VWAP has been calculated as at that date.

If the Performance Conditions are achieved to the greatest extent possible (i.e. Bathurst's TSR is at or above 75th percentile ranking to the appropriate index at each test date), then 100% of the 1,500,000 Performance Rights that are the subject of Resolution 8, will, if that Resolution is approved, be awarded to Mr Middleton (or his Permitted Nominee) and will vest and convert into an equal number of Shares. In other words, for every percentile ranking above 50% that is achieved in satisfaction of the Performance Conditions applicable to the Performance Rights awarded to Mr Middleton (or his Permitted Nominee) under the Plan, an additional 4% in number of those Performance Rights will vest and convert into an equal number of Shares.

Resolution 9 – Approval to Issue Performance Rights to Mr Peter Westerhuis

9.1 Background

Subject to the approval of Resolution 4, Shareholders are being asked to approve Resolution 9 to allow Performance Rights (and Shares that may be issued upon the vesting and exercise of those Performance Rights issued under the Plan) to be issued to one of the Company's non-executive Directors, Mr Peter Westerhuis (or his Permitted Nominee), up to the maximum amount of 1,500,000 as set out below.

The Board has determined that the grant of Performance Rights under the Plan to Mr Westerhuis (or his Permitted Nominee) is fair and an appropriate form of long term incentive for one of the Company's Key Management Personnel.

In determining Mr Westerhuis's remuneration package, including the proposed issue of Performance Rights under the Plan, the Board considered and will continue to consider the scope of the role of Mr Westerhuis, the business challenges facing the Company and market practice for the remuneration of a non-executive director in positions of similar responsibility. Accordingly, the Board has determined that the proposed maximum grant of Performance Rights as stated in Resolution 9 is, in its opinion, appropriate.

The Performance Rights will be issued subject to the Performance Conditions outlined in the Plan Rules and Plan Policy.

9.2 Regulatory Requirements

Resolution 9 seeks Shareholder approval in order to comply with the requirements of Listing Rule 10.14.

9.3 Listing Rules

Listing Rule 10.14 provides that a company must not issue Equity Securities to a director of that company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. If that approval is given by shareholders under Listing Rule 10.14, separate shareholder approval is not required under Listing Rule 10.11.

Under Resolution 9, the Company seeks approval from Shareholders for the issue of Performance Rights to Mr Westerhuis (or his Permitted Nominee), who by virtue of his position as a non-executive Director, is by definition, a "related party" of the Company.

In compliance with the information requirements of Listing Rule 10.15, Shareholders are advised of the following information:

Permitted Nominee), subject to the passing of Resolution 9, is identical to the formula referred to in Paragraph 6.3(b) above.

Set out below are the variables for the formula used to calculate the number of Performance Rights that may be issued to Mr Middleton (or his Permitted Nominee) (pursuant to Resolution 9) and for which approval is sought:

Director	Director's Fee	5 day VWAP*	Maximum Number of Performance Rights to be offered
Peter Westerhuis	\$60,000	\$0.01415	1,500,000

Resolution 10 – Approval of Potential Termination Benefits under Bathurst Resources Limited Long Term Incentive Plan

10.1 Background

The terms and conditions of the Plan are repeated in detail in Appendixes 2 and 3 of this Explanatory Statement.

The purpose of Resolution 10 is for Shareholders to approve the potential provision of termination benefits to participants under the Plan as amended (see section 4.2 of this Explanatory Statement). At the Company's Annual General Meeting on 20 November 2012, Shareholders approved the potential provision of termination benefits to participants under the original Plan and prior to the 2013 Amendment coming into effect.

10.2 Regulatory Requirements

The Corporations Act restricts the benefits that can be given to persons who hold a “managerial or executive office” (as defined in the Corporations Act) on leaving their employment with the Company or any of its related bodies corporate. Under Section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a managerial or executive office, if the benefit is approved by shareholders or an exemption applies.

Amendments to the Corporations Act in 2009 significantly expanded the scope of these provisions and narrowed the range of termination benefits that do not require shareholder approval. The term “benefit” now has a wide meaning and may include benefits resulting from the Board exercising certain discretions under the Plan.

If Shareholder approval is given under this Resolution 10, the Company will still be required to comply with Listing Rules 10.18 and 10.19, which place restrictions on the circumstances in which termination benefits can be paid and a limit on the value of termination benefits that can be paid to officers of the Company.

10.3 Details of the proposed Termination Benefits

As described in Paragraph 10.2, if Resolution 10 is passed in accordance with its stated terms, then upon the retirement, death or total and permanent disablement of a Participant, the Board will have the discretion to determine, as soon as reasonably practical after such occurrence, how many (if any) of that Participant’s unvested Performance Rights will vest. This permission to vest may constitute a “benefit” for the purposes of Section 200B of the Corporations Act (**Vesting Benefit**).

The Company is therefore seeking Shareholder approval to exclude any Vesting Benefit from being included in any current or future Participant’s termination benefits, in respect of a Participant who holds:

- (a) a managerial or executive office in the Company (or any of its related body corporate) at the time of their leaving that office or at any time in the three years prior to their leaving that office; and
- (b) Performance Rights under the Plan at the time of their leaving that office.

If Shareholder approval is given to Resolution 10, the value of the Vesting Benefits may be disregarded when applying Section 200F(2)(b) or Section 200G(1)(c) of the Corporations Act (i.e. the approved Vesting Benefit will not count towards the statutory limitation under that legislation).

The Board’s current intention is to only exercise their discretion to determine the vesting of Performance Rights:

- (a) where a Participant leaves employment of a Bathurst Group member without fault on that Participant’s part; and
- (b) so as only to preserve that number of unvested Performance Rights as are pro-rated to the date of leaving.

10.4 Value of the Termination Benefits

The value of the termination benefits that a Participant may receive or the Board may give under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value between the date of their issue and the date of their vesting. In particular, the value of a particular Vesting Benefit will depend on several factors including the Company’s Share price at the time of vesting and the number of Performance Rights that vest.

The following additional factors may also affect the value of a Vesting Benefit:

- (a) the Participant’s term of employment,
- (b) the term of the Performance Period at the time the Participant ceases employment;
- (c) the status of the Performance Conditions attaching to the Performance Rights at the time when the Participant’s employment ceases; and
- (d) the number of unvested Performance Rights that the Participant holds at the time when the Participant’s employment ceases.

10.5 No Board Recommendation

The requirements of Listing Rule 14, insofar as they relate to voting exclusion statements relevant to any resolution made pursuant Listing Rule 10.14, prohibit any Director, who by definition is eligible to participate in the Plan, from voting in respect of Resolution 10.

On the assumption that by the time Shareholders are asked to vote upon Resolution 10, Resolution 4 will have been approved and be effective, no Director – whether executive or non-executive, is permitted to:

- vote in respect of Resolution 10; or

- make any recommendation as to how any Shareholder should vote in respect of Resolution 10.

Resolution 11 – Auditor’s Remuneration

PricewaterhouseCoopers is the existing auditor of the Company and has indicated its willingness to continue in office. Pursuant to section 207T of the Companies Act, PricewaterhouseCoopers is automatically reappointed at the annual meeting as auditor of the Company. The proposed resolution is to authorise the directors to fix the auditor’s remuneration for the following year for the purposes of section 207S of the Companies Act.

The Board unanimously recommend that Shareholders vote in favour of Resolution 11.

3. Purpose

3.1 Introduction

- e) may be used to increase damages in any action brought against any member in the Bathurst Group in respect of any termination or variation of the terms of employment.

5.1 Administration of Plan by the Board

- a) The Board may establish and administer the Plan in accordance with the terms and conditions set out in these Rules and otherwise as it determines from time to time in its absolute discretion.
- b) The Board may make further rules for the operation of the Plan which are consistent with these Rules, and may make amendments to these Rules in accordance with these Rules.
- c) The Board may terminate the Plan, or suspend its operation for any period it considers desirable, at any time that it considers appropriate.
- d) The Board will not be permitted to issue any further Performance Rights under this Plan after the Plan has been terminated or during such time as its operation is suspended. However, these Rules will continue to apply to Performance Rights on issue at the date of such termination or during such period of suspension, until the last of those Performance Rights lapses or is exercised.

5.2 Board's power and discretion

Except as expressly provided by these Rules, where the Rules provide for a power, determination, interpretation, decision, approval or opinion of Bathurst or the Board in relation to any matter under or in connection to these Rules, the Board is the sole and final arbiter in relation to such matters. If so requested, such person or Participant must complete and return such documents within the time period specified by the Board.

6. Invitation to apply for Performance Rights

6.1 Invitation to Eligible Executives

The Board may, subject to any Shareholder approvals required by law or the ASX Listing Rules, at any time, invite an Eligible Executive to apply for Performance Rights by making an Eligible Executive an Offer. An Offer may be on such terms and conditions as the Board determines in its absolute discretion.

An Offer must be in writing, attach a copy of these Rules, the Plan Policy and an Application Form, and state:

- a) the date of the Offer;
- b) the name and address of the Eligible Executive to whom the Offer is made;
- c) the number of Performance Rights that the relevant Eligible Executive may apply for;
- d) that the Eligible Executive may accept the whole or any lesser number of Performance Rights offered;

7. Invitation to apply for Performance Rights

7.1 Form of application

Upon receipt of an Offer, an Eligible Executive may, within the period for acceptance specified in the Offer:

- a) accept the whole or any lesser number of Performance Rights offered by giving to the Company a duly completed Application Form; or
- b) nominate a nominee in whose favour the Eligible Executive wishes to renounce the Offer by notice in writing to the Board. The Board may, in its absolute discretion, resolve not to allow such renunciation of an Offer in favour of a nominee and without being obliged to give any reason for such decision.

Upon receipt of the duly completed Application Form or the Board resolving to allow a renunciation of an Offer in favour of a nominee (**Permitted Nominee**) and the Permitted Nominee accepting the whole or any lesser number of Performance Rights offered by giving the Company a duly completed Application Form, then the Eligible Executive or the Permitted Nominee, will be taken to have agreed to be bound by these Rules and will be granted the Performance Rights that were the subject of the Application Form submitted, and subject to these Rules and the Plan Policy.

On the issue of Performance Rights following receipt by the Company of a duly completed Application Form, an Eligible Executive or the Permitted Nominee, as the case may be, becomes a Participant.

7.2 Agreement to be bound by Rules and Constitution

In making an application for Performance Rights, the relevant Eligible Executive or Permitted Nominee agrees, and is taken to have agreed, to be bound by these Rules, the Plan Policy and the Constitution.

7.3 Grant of Performance Rights

Subject to clause 7.4, where the relevant Eligible Executive makes a valid application for Performance Rights in accordance with clause 7.1, Bathurst:

- a) will grant the Performance Rights to the Participant or the Permitted Nominee; and
- b) will give the Participant or the Permitted Nominee a certificate or statement in respect of those Performance Rights.

7.4 Applications not accepted

An Eligible Executive's or a Permitted Nominee's Application Form will not be accepted, and no Performance Rights will be granted to the Eligible Executive or the Permitted Nominee in respect of that Application Form if, at the date the Performance Rights would otherwise be granted had that Application Form been accepted, the relevant Eligible Executive:

- a) is not an Eligible Executive;
- b) has given their employer within the Bathurst Group notice of his or her resignation as an Eligible Executive; or
- c) has been given notice of dismissal from employment as an Eligible Executive or if, in the opinion of the Board, he or she has tendered his or her resignation to avoid such dismissal.

8. Invitation to apply for Performance Rights

8.1 Right to acquire

Each Performance Right is a right of a Participant to acquire one Share, subject to these Rules and the Plan Policy.

8.2 Rights generally

A Participant:

- a) does not have a legal or beneficial interest in any Shares by virtue of acquiring or holding a Performance Right, and a Participant is not entitled to participate in or receive any dividends or any other Shareholder rights or benefits in respect of a Performance Right he or she holds until a Share has been issued to the Participant as a result of the Performance Right becoming a Vested Performance Right, and the subsequent exercise of that Vested Performance Right, each under these Rules; and
- b) only has, as a result of acquiring or holding a Performance Right, purely contractual and personal rights, which cannot be Disposed of unless otherwise specifically provided under these Rules.

9. Lapse of Performance Rights

9.1 Lapse of Performance Rights

Subject to clause 14:

- a) any Unvested Performance Right and any Vested Performance Right that has not been exercised within the applicable Exercise Period (as may be revised in accordance with these Rules) will automatically lapse at the end of the relevant Exercise Period; and
- b) any Performance Right that is Disposed of or purported to have been Disposed of without

the Board's prior written consent will automatically lapse at the time of Disposal or purported Disposal (as applicable).

9.2 Effect of lapse

Upon the lapse of a Performance Right under these Rules, the Participant will have no further rights or entitlements in relation to that Performance Right.

10. Waiver of Performance Rights

Without limitation to clause 8.2(b) or clause 11.1, a Participant may at any time surrender to the Company any or all of their Performance Rights by deed.

11. Disposal restrictions on Performance Rights

11.1 Board consent

Subject to clause 9.2, Performance Rights may only be Disposed of with the Board's prior written consent.

11.2 Death or mental incapacity

The Board may recognise a Legal Personal Representative of a Participant as a holder of the Participant's Performance Rights in circumstances where either the Participant has died or the Participant's estate is liable to be dealt with under the laws relating to mental health, on the production to the Board of documents or other evidence which the Board may require to establish to its satisfaction the entitlement of the Legal Personal Representative.

12. Determination of Performance Conditions

12.1 Performance Conditions

- a) The Board shall set the Performance Conditions applicable to a Performance Right in respect of a Performance Period.
- b) In determining the Performance Conditions applicable to a Performance Right the Board may have regard to the Plan Policy.
- c) For the avoidance of doubt this clause 12.1 does not affect the Board's unfettered discretion to determine any Performance Conditions applicable to Performance Rights.
- d) The timing and nature of the satisfaction of the Performance Conditions shall determine the proportion of Performance Rights held by the Participant which will vest in that Participant.

12.2 Satisfaction of Performance Condition

At the end of each Performance Period for a Participant, the Board will:

- a) determine whether and, if so, the extent to which, the Performance Conditions applicable to that Performance Period have been satisfied and the proportion (if any) of the Performance Rights that vest in that Participant; and
- b) advise that Participant in writing:
 - i. whether and the extent to which the Performance Conditions for the Performance Period have been met;
 - ii. the proportion (if any) of the Performance Rights held by that Participant which vest to the Participant; and
 - iii. the corresponding number of Shares (if any) to be issued to that Participant (subject to clause 14.3).

13. Vesting of Performance Rights

A Performance Right that has not lapsed under these Rules vests, and otherwise becomes a Vested Performance Right, if:

- a) the Participant dies;
- b) the Participant Retires;

- c) the Performance Conditions in relation to that Performance Right specified in the Offer have been met within the Performance Period;
 - d) a Change of Control Event occurs; or
 - e) the Board determines that a Performance Right becomes a Vested Performance Right, and the Board gives the Participant who holds that Performance Right written notice that that Performance Right has vested and become a Vested Performance Right, and that it may be exercised on and from the date the Participant receives such notice.
-

14. Exercise of Vested Performance Rights

14.1 Entitlement to a Share on exercise

Each Vested Performance Right entitles the Participant to acquire one Share (subject to any adjustment under clause 15) when exercised in accordance with this clause 14.

14.2 Exercise of Vested Performance Rights

Vested Performance Rights may be exercised at any time during the Exercise Period applicable to that Performance Right, or as otherwise permitted by the Board under these Rules, by the relevant Participant:

- a) lodging a notice exercising the Vested Performance Right (in a form determined by and acceptable to the Board) with the Company Secretary or such other person as the Board may designate; and
- b) making payment of the applicable Exercise Price (if any) to Bathurst.

14.3 Minimum number

A Participant may only exercise their Vested Performance Rights in multiples of 1,000, with a minimum of 1,000 (or such number as is a minimum holding as defined under the ASX Listing Rules), unless the Participant exercises all of the Vested Performance Rights he or she holds. The exercise of only some Vested Performance Rights does not affect the Participant's right to exercise other Vested Performance Rights at a later time, subject to these Rules.

14.4 Issues of shares

Upon the valid exercise of Vested Performance Rights and subject to the Companies Act and the ASX Listing Rules, Bathurst must procure the issue of the Shares the subject of the exercised Vested Performance Rights, directly to the relevant Participant or their Permitted Nominee.

14.5 Shares rank equally

Shares issued on the exercise of Vested Performance Rights will rank equally with all other Shares from the date of issue of the Shares to the relevant Participant or their Permitted Nominee, and that Participant or Permitted Nominee will be entitled to receive any entitlements that have a Record Date for determining entitlements on and from the date of issue of the Shares to that Participant or Permitted Nominee.

14.6 Application for Quotation

Bathurst will apply as soon as reasonably convenient for the quotation of Shares that are issued to the Participant on the exercise of Vested Performance Rights, promptly after the date of that issue, with the ASX.

15. Future Issues

15.1 Participation only if Performance Rights exercised

A Performance Right does not entitle the holder to participate in new issues of securities, unless that Performance Right has become a Vested Performance Right and has been exercised and a Share has been issued or transferred to the Participant in respect of that Performance Right, before the Record Date for determining entitlements to securities under that new issue.

15.2 Notice

Bathurst must give to Participants who hold Vested Performance Rights notice of any new issue of securities in which Shareholders are entitled to participate, which notice must be given not less than 10 Business Days before the Record Date for determining entitlements to securities under the proposed new issue.

15.3 Bonus Issues

If:

- a) Bathurst makes a bonus issue of Shares or other securities pro rata to Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment); and
- b) a Performance Right has not been exercised and a Share has not been issued in respect of that Performance Right before the Record Date for determining entitlements under the bonus issue,

then, subject to the ASX Listing Rules, the terms of that Performance Right will be altered as follows:

- c) the number of Shares to which the Participant who holds the Performance Right is entitled on exercise of the Performance Right will be increased by the number of Shares that the Participant would have received if the Participant had exercised the Performance Right and acquired a Share in respect of that Performance Right before the Record Date for the bonus issue; and
- d) the Exercise Price (if any) of the Performance Right will not be altered.

15.4 Reconstruction

If there is any reconstruction or re-organisation of the issued share capital of Bathurst, the number of Shares to which a Participant is entitled on the exercise of a Performance Right will be reconstructed or re-organised as required by the ASX Listing Rules in force at the time of the reconstruction or re-organisation and in a manner that will not result in any benefits being conferred on the Participant that are not conferred on other Shareholders (subject to the provisions with respect to rounding of entitlements as sanctioned by any meeting of Shareholders approving the reconstruction or re-organisation of capital), but in all other respects the terms for the exercise of the Performance Rights will remain unchanged.

15.5 Rounding

Before a Performance Right is exercised, all adjustment calculations are to be carried out inclusive of all fractions (in relation to the Shares and the Exercise Price (if any)). On the exercise by a person of a number of Performance Rights, the aggregate number of Shares acquired by that person as a result of that exercise will be rounded up to the nearest whole number and the Exercise Price (if any) will be rounded to the next higher cent.

16. Termination of employment

16.1 Termination for misconduct

Any Vested Performance Rights and Unvested Performance Rights will lapse immediately on termination of the Participant's employment by any member of the Bathurst Group as a result of the Participant's misconduct or for any other reason justifying termination without notice.

16.2 Resignation

Any Vested Performance Rights and Unvested Performance Rights will lapse upon notice of resignation being given by the Participant in respect of the Participant's employment by a member of the Bathurst Group.

16.3 Termination for other reasons

Subject to clause 16.4, if the Participant ceases to be an Employee for any reason other than a reason set out in clauses 16.1 and 16.2, then:

- a) a Vested Performance Right will lapse at the end of 30 days following such cessation; and
- b) an Unvested Performance Right will lapse immediately following such cessation, unless the Board determines otherwise.

16.4 Retirement, Death or Total Permanent Disablement

If a Participant ceases employment with a member of the Bathurst Group as a result of Retirement, death or Total and Permanent Disablement:

- a) clauses 16.1 and 16.2 above will not apply to that Participant's Performance Rights;
- b) that Participant's Vested Performance Rights will remain exercisable by that Participant, or that Participant's estate or Legal Personal Representative who has been recognised by the Board as the holder of that Participant's Performance Rights in accordance with clause 11.2 until the end of the Exercise Period applicable to those Performance Rights;
- c) the Board will determine as soon as reasonably practicable after the date of that Participant's Retirement, death or Total and Permanent Disablement (as applicable) how many (if any) of that Participant's Unvested Performance Rights will become Vested Performance Rights and, if any become Vested Performance Rights, the Exercise Period applicable to those Performance Rights commences after the date of that Participant's Retirement, death or Total and Permanent Disablement (as applicable) and notify that Participant, or that Participant's estate or Legal Personal Representative of that determination; and
- d) the balance of that Participant's Unvested Performance Rights will lapse immediately after the determination in clause 16.4 (c) is made.

17. Calculation and determinations

17.1 Force of calculations and determinations

All calculations and determinations made by the Board for the purpose of determining whether Performance Rights have become Vested Performance Rights will be final, conclusive and binding on all Participants, in the absence of manifest error.

17.2 Fractions

If a calculation performed in calculating Performance Rights results in a fractional number, the fraction will be eliminated by rounding the fraction up to the nearest whole number.

17.3 Notice of determination

If the Board determines that particular Performance Rights are Vested Performance Rights, that determination will take effect on the date that the Participant who holds those Performance Rights is given notice that the Performance Rights are Vested Performance Rights, and the first day on which the Vested Performance Rights can be exercised will be the first day immediately after the date upon which notice is given by the Board under this Rule.

18. Performance Rights register

Bathurst must open and maintain a register in respect of each Eligible Executive or Participant, as the case may be, which contains at least the following information:

- a) the full name and address of the Eligible Executive;
- b) details of each Offer made under the Plan to that Eligible Executive;
- c) the date on which the relevant Eligible Executive became a Participant;
- d) the Performance Conditions and Performance Periods applicable to the Performance Rights issued to the relevant Participant;
- e) the number of Performance Rights that the relevant Eligible Executive may become entitled to apply for;
- f) the number of Performance Rights (if any) which the relevant Eligible Executive has been granted and the date of each grant (if more than one);
- g) the Exercise Period applicable to each issued Performance Right (as may be revised in accordance with these Rules);
- h) the Exercise Price (if any) applicable to each issued Performance Right; and
- i) any other related information which the Board considers appropriate to include

in the register.

Each Participant may request a summary of his or her record with respect to the Plan as recorded in the register by sending a notice to the Company Secretary during normal business hours. That summary will be provided to the requesting Participant free of charge within a reasonable time of receiving that request.

19. Amendment of the Rules

The Board may at any time by written instrument, or by resolution of the Board, amend all or any of the provisions of the Rules (including this clause 19). However, no amendment to the Rules that would reduce the existing rights of any Participant in respect of any Performance Rights granted to that Participant prior to the date of the amendment, is permitted without the prior written consent of the Participant or where the amendment is introduced primarily:

- a) for the purpose of complying with or conforming to present or future legal requirements governing, regulating or effecting the maintenance or operation of the Plan or like plans;
- b) to correct any manifest error or mistake;
- c) to address possible adverse tax implications for Participants generally or any member of the Bathurst Group arising from:
 - i. a ruling of any relevant taxation authority;
 - ii. a change to tax legislation (including an official announcement by any relevant taxation or government authority); or
 - iii. a change in interpretation of tax legislation by a court of competent jurisdiction or by any relevant taxation authority; or

3. Interpretation

In this Policy, unless a contrary intention appears:

- a) a reference to this Policy or another instrument includes any variations or replacement of any of them;
- b) a statute or other law includes regulations and other instruments under it and consolidations, amendment, re-enactments or replacement of any of them;
- c) where an expression is defined, another part of speech or grammatical form of that expression has a corresponding meaning;
- d) the singular includes the plural and vice versa;
- e) a reference to a gender includes all genders;
- f) where any calculation or adjustment made under this Policy produces a fraction of a cent or a fraction of a Share, the fraction will be eliminated by rounding to the nearest whole number favourable to the Participant; and
- g) an expression defined in, or given a meaning for the purposes of the Rules, the Companies Act, Corporations Act or ASX Listing Rules has the same meaning where used in this Policy, but in the event of inconsistency between the Rules, the Companies Act, the Corporations Act or the ASX Listing Rules, the Companies Act will prevail.

4. Scope

This Policy applies only to the Company's Eligible Executives (refer to clause 9 below).

5. Long Term Incentive Plan

The LTIP is a performance rights plan.

6. Purpose

The purpose of the LTIP is to achieve long term performance for Shareholders and the retention of executive and senior management personnel whose roles and responsibilities mean they are able to significantly influence the Company's continued success and, accordingly, create lasting shareholder value.

7. Operation of Plan

The LTIP operates in the following way:

- a) the Board makes Offers under the LTIP to the Eligible Executives which, if duly accepted in the manner prescribed in the Rules, entitle the Eligible Executives (or their Permitted Nominee) to receive Performance Rights if they (or the Company) achieve certain Performance Conditions during a Performance Period, all of which have been specified in the terms of the Offers;

- b) during the Incentive Plan Review Period, the Board will meet and determine whether the Performance Conditions were met during the Performance Period; and
 - c) if the Board determines that:
 - (i) the Performance Conditions have been met during the Performance Period, the Performance Rights will vest in the Eligible Executive and the Eligible Executive will be able to convert the Performance Rights to Shares (subject to the Rules or any applicable law or regulation);
 - (ii) if the Performance Conditions have not been met during the Performance Period, the Performance Rights will lapse and the Eligible Executive will not be able to convert the Performance Rights to Shares; and
 - (iii) if the Performance Conditions have been partially met during the Performance Period, the Board will determine what percentage of the Performance Rights will vest to the Eligible Executive and what percentage of the Performance Rights will lapse. The Eligible Executive will be able to convert only those Performance Rights which have vested into Shares.
-

8. Relationship between Policy & LTIP

The LTIP is governed by the Rules which give the Board discretion to administer the LTIP. The purpose of this Plan Policy is to provide a guide for the Board to assist in determining:

- a) who will be classified as Eligible Executives;
- b) how the number of Performance Rights offered to each Eligible Executive will be calculated;
- c) when Offers will be made;
- d) what the Performance Periods of each Offer will be;
- e) what the Performance Conditions of each Offer will be; and
- f) what percentage of Performance Conditions should vest in the event that Performance Conditions are only partially satisfied.

For the avoidance of doubt this Policy serves as a guide to the Board only and does not in any way fetter the discretion of the Board to administer the LTIP pursuant to the Rules.

9. Eligible Executives

For the purposes of this Policy, an "Eligible Executive" means:

- a Director; or
 - any person classified by the Board in its absolute discretion, as an Eligible Executive, who should be allowed to participate in the Plan, providing that person is an Employee and takes part in the management of the Bathurst Group.
-

10. Timing of Offers

The Board will make Offers annually before the last day of the Incentive Plan Review Period and may make additional Offers at any other time that the Board, in its absolute discretion, sees fit. The timing of the making of any Offer may vary where Shareholder approval is required for the Offer.

11. Operation of Plan and Performance Period

After the LTIP has become effective, and whilst it remains effective and in operation, each Eligible Executive will receive one Offer per annum.

The Performance Rights that are the subject of the Offer will have a Performance Period of one (1) year and, providing the Performance Conditions are satisfied during that Performance Period, will become Vested Performance Rights in three equal tranches of one third on each of the next three anniversaries of the Issue Date of those Performance Rights.

A table illustrating the operation of the LTIP is attached as **Schedule 1**.

For the avoidance of doubt **Schedule 1** and all clauses of this Policy act as a guide only and do not prevent the Board (in its absolute discretion) from making further Offers with varying Performance Periods.

12. Number of Performance Rights Offered

The number of Performance Rights to be offered to each Eligible Executive in an Offer, subject to Board approval will be calculated as follows:

$$\frac{N = \text{TFR} \times Y\%}{V}$$

Where:

- N = the number of Performance Rights offered in each Offer;
- TFR = the Total Fixed Remuneration of the Eligible Executive at the commencement date of the Performance Period;
- V = the Market Value of a Share prior to the commencement date of the Performance Period; and
- Y = the percentage TFR awarded in Performance Rights as determined by the Board with regard to Schedule 2.

For the avoidance of doubt, the content and terms of **Schedule 2** are a guide only and do not prevent the Board (in its absolute discretion) using different percentages to determine the Y variable of the calculation set out above.

Schedule 2 has been drafted to ensure that the LTIP, in conjunction with an Eligible Executive's annual salary and short term incentives, positions the Eligible Executive in a competitive position relative to the appropriate index in respect of their total remuneration arrangements with the Company.

13. Performance Conditions

The Performance Condition for each Offer will be for the Company to achieve a Total Shareholder Return which places the Company in the 75th percentile for Total Shareholder Return relative to the ASX Small Resources Index (XSR:ASX) with a pro-rata for performance above the 50th percentile.

In other words, for every percentile ranking above 50% that is achieved in satisfaction of the Performance Conditions applicable to the Performance Rights awarded to an eligible Executive under the Plan, an additional 4% of those Performance Rights will vest and convert into an equal number of Shares.

During the Incentive Plan Review Period, the Board will meet and determine whether the Performance Conditions were met during the applicable Performance Period. Whether or not the Performance Conditions have been met, either wholly or in part, during the applicable Performance Period (and what percentage of Performance Rights will vest) will be determined by the Board with regard to Bathurst's Total Shareholder Return relative to that of the appropriate index during the Performance Period.

A table setting potential performance outcomes by Bathurst and what percentage of Performance Rights will vest in each case is set out in **Schedule 3**.

For the avoidance of doubt **Schedule 3** is a guide only and does not prevent the Board (in its absolute discretion) determining what percentage of Performance Rights vest.

14. Vesting of Performance Rights

Prior to the last day of the Incentive Plan Review Period, the approved consolidated list of all Vested Performance Rights will be forwarded by the Chief Executive Officer to the Company Secretary. The Company Secretary will inform each Eligible Executive in writing as to which how many of their Performance Rights have vested.

15. Conversion of Performance Rights

Each Eligible Executive may convert their Vested Performance Rights into Shares in accordance with the Rules.

16. Taxation Liability

Any taxation incurred by any Eligible Executive as a consequence of that Eligible Executive participating in the Plan, including the acceptance of any Offer, the receipt and holding of any Performance Rights and the conversion of any Performance rights into Shares, is and will remain the responsibility of the Eligible Executive and not the Company.

If a body corporate is appointed as a proxy it must appoint a corporate representative to exercise its powers as proxy at the meeting.

A Shareholder who is entitled to cast two or more votes may appoint two proxies to attend the meeting and vote on their behalf and may specify the proportion or a number of votes each proxy is appointed to exercise. If a Shareholder appoints two proxies and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, each proxy may exercise half of the votes (disregarding fractions). If you wish to appoint a second proxy, you may copy the enclosed proxy form or obtain a form from the Company's share registry. The Chairman of the meeting, or any other director, is willing to act as proxy for any shareholder who wishes to appoint him or her for that purpose. The Chairman of the meeting or any other director appointed as proxy intends to vote discretionary proxies in favour of the relevant resolution. To do this, enter 'the Chairman' or the name of your proxy in the space allocated in 'Step 1' of this form. Alternatively you can appoint a proxy online at www.investorvote.co.nz. The Chairman will vote all undirected proxies in favour of the resolutions.
